

You are invited to this presentation through our Integration Partnership...

Topic:

Motivational Interviewing: Practicing Clinical Skills

Friday, August 15th 2008
(9:00 am – 12:00 pm)

RAMS Outpatient Clinic
Conference Room

Presenter:

Joshua Kirsch, LCSW

Biography:

Joshua Kirsch, LCSW, is a psychiatric social worker at Kaiser Permanente and is a member of the Motivational Interviewing Network of Trainers. He has more than ten years experience working with adults who have co-occurring disorders, and several years providing clinical supervision. He has extensive experience training clinicians in the use of Motivational Interviewing.

This training is made possible by California-Arizona Node NIDA Clinical Trials Network and through the Integration Partnership established between RAMS and San Francisco Veteran's Administration Medical Center (SFVAMC) Substance Abuse Programs. The SFVAMC Substance Abuse Programs offers structured to care for people through all stages of recovery, and include specialized programs such as day hospital, anger management classes, and opiate replacement therapy. As partners in the community, RAMS and SFVAMC Substance Abuse Programs are committed to providing the best possible care and services to meet the needs of the adults and their families who present with mental health and/or substance abuse/dependence issues.
